

CORPORATE GOLF DAYS

2022/2023

TESTIMONIALS

At Harbour Sport we have organized an annual golf day at Pupuke Golf Club for the last 4 years! The team go above and beyond to make the day a success, nothing in too much trouble. The communication and guidance of running a successful corporate golf day is invaluable. Along with the great facilities and views we had a very successful 2022 golf day with 26 teams participating in an Ambrose style tournament. The catering team of Aise Group provided delicious cost effective options in the club house to hungry participants. Definitely consider Pupuke Golf Club as a top option for your corporate golf day!

THE GOLF

AVAILABILITY

The Club's preferred days for holding corporate events are Mondays and Thursdays.

START OPTIONS

For groups of up to 60 players, a one or two-tee start is recommended and would be negotiated with the group at the enquiry stage, depending on the day the event falls. For groups of 60 players or more, a shotgun start is advised.

FORMATS

The most popular format for corporate days is Ambrose as it maximises the involvement of all players, irrespective of ability, and promotes teamwork. As only one score is recorded per hole, it also minimises the amount of time looking for lost balls. Individual, partner and stableford competitions may be suitable depending on the groups' golf proficiency.

COURSE SIGNAGE

We understand that your event is held to assist in the promotion of your organisation to your clients and it is our intention to do our best to assist you in this regard. Should you have any promotional signage or products you would like to display, our staff are happy to discuss placement and utilisation of them with the most exposure available for your company.

Basic course signage can be displayed on the golf course and around the clubhouse at no charge. Due to the positioning of course watering systems and potential damage to tees and greens, more elaborate on-course signage must be erected and removed under the supervision of a member of the Club's course maintenance staff.

HOLE BY HOLE

HOLE 1 - Best hole for first impressions. Dress the hole. Have a food stand. the world is your oyster. We have a very big esky (chilly bin) here for use at the tee box.

HOLE 2 - Usually a waiting hole, so you could do something small here. This is a par-3 and par-3's are fun holes!

HOLE 3 - Would suggest not doing an activation here in terms of logistics, but branding up the top is very good as you can see it from quite a few holes (especially the 2nd tee).

HOLE 4 - Backs on to a Par-3, hole #9 so here is a big area to engage with your groups. There will be a large number of people on the tee at a time (usually). Therefore a good opportunity for a mint set up like a DJ. A good hole for a vehicle sponsor to put up a hole-in-one prize e.g. and WIN A CAR.

HOLE 5 - There is space here for a small activation.

HOLE 6 - This is another Par-3 and a great hole to activate on.

HOLE 7 - A tactical hole with a nice outlook. Space to do something small, but if you are doing limited activations on holes, this would be a nice break between

HOLE 8 - This hole has a great outlook of two holes (7 and 8). Could be a cool spot for an activation. Need to be considerate of neighbors.

HOLE BY HOLE

HOLE 9 - Backs on to hole #4, so a good opportunity as per the above.

HOLE 10 - This is a joint tee block with Hole #1 so please refer to the above.

HOLE 11 - A nice long hole, but suggest not doing anything on this hole as it has a small area and neighbors.

HOLE 12 - This is a good activation hole. It neighbors the 18th, has shade and space to chill out.

HOLE 13 - A Par-3 but would suggest using the other Par-3's for the activation.

HOLE 14 - A nice area for a food truck or similar.

HOLE 15 - A fun outlook hole near our Driving Range - opportunity to set up a small activation.

HOLE 16 - A fun Par-4 that is short if you take on the green. There could be something in that if you wanted to wrap up a competition around it.

HOLE 17 - Our signature Par-3. Great for big sponsors. Lots of space for signage.

HOLE 18 - The last hole, that will pick up on any activation on the 12th hole.
