Members are to be aware of events which qualify for match play. Players must enter events as required by the conditions of competition either on a displayed entry sheet or on the touch screen when registering for play. Failure to do so will result in the player not being included in the draw.

Members should not enter any match play event unless they are going to be available to complete every stage of the event. Once the draw for a match play event has been posted for 24 hours it cannot be redrawn to allow for withdrawals. Where a qualifying round has been played the Committee reserves the right to replace any player who withdraws with the next available non-qualified player to complete the draw.
